

Regeneration Extreme Repair Hand Therapy... for petal-soft skin!

Rose petals are known for their softness.
Now your hands can claim the same!
Even after just one application!

Extreme Repair Hand Therapy:

- softens and smoothes while providing a barrier against dehydration and future damage.
- contains Allantoin to help relieve the tenderness and itchiness associated with dry skin.
- contains alpha hydroxy acids to exfoliate dead surface cells, while advanced hydrating ingredients draw moisture to the skin.
- stays on the skin through several hand washings to provide longer-lasting protection.
- glides on easily without a greasy feel.

Experience the difference! You'll love it.
