

Platinum Regeneration®

Rejuvenating Eye Treatment!

The at-home answer to an eye lift!

Younger looking eyes
in just 30 minutes!

Each pair of eye treatment patches delivers a powerful, concentrated time-released dosage of advanced ingredients targeted to treat and hydrate the delicate area around the eyes.

- Soothes and refreshes tired eyes!
- Visibly reduces fine lines and wrinkles!
- Relieves puffy eyes!
- Diminishes the appearance of dark circles!

They're portable treatments, adhering to your skin so you're free to move around and do other things, such as relaxing in the tub, answering emails or getting your kids off to school.

In an independent clinical study 100% of panelists saw a reduction in the signs of aging in the targeted eye area after using product as directed.

After just 30 minutes, key results were achieved!

Product benefits	% of panelists perceived results after 30 minutes
Overall signs of aging reduced	100%
Visible puffiness improved	96%
Eye area more hydrated	96%
Wrinkles visibly minimized	96%

After 24 hours, the visible results are even better!

Product benefits	% of panelists perceived results after...	
	30 minutes	24 hours
Fine lines visibly minimized	96%	95.5%
Under-eye area looked smoother	86%	91%
Dark circles less noticeable	77%	81%

Easy to use...

Cleanse skin with your daily facial treatment cleanser. Dry skin thoroughly

Peel patch off protective liner.

Place the adhesive side of the patch under your eye and leave on for 20-30 minutes.

Gently peel off patch and discard. Or re-apply protective liner for re-use. Patch can be used up to three times.

Naturally effective ingredients: Extracts of red algae, peony root, chameleon plant and white birch bark.
