Recipe for a Margarita Indulgence

Smooth and soften summertime skin by exfoliating and moisturizing in a few easy steps.

Exfoliation

For super soft lips in seconds, apply the Exfoliating Lip Scrub. Rub onto lips and step into shower. Then enjoy the gentle exfoliants and moisturizing oils in our creamy Exfoliating Shower Gel. Feel the warmth as you scrub away summer's wear and tear with the Foot Scrub as you treat your feet to an invigorating renewal.

Moisturization

Savor the chill as you cool down your tired feet with the refreshing Frozen Foot Creme. Then quench your skin's thirst with the soothing, hydrating Body Lotion. Finally, let your lips drink in the soothing conditioner with our Tangy Lip Balm. Yummy.
