THE 40+ M.R.P. DAILY FACIAL TREATMENT

Platinum Regeneration products, specifically designed for 40+ skin, target more advanced signs of aging, deeper lines and wrinkles, increased loss of elasticity and firmness, increased skin discolorations and dry, dull, tired-looking skin. As part of the 40+ M.R.P. daily facial treatment Skin Renewing Serum and Advanced Eye Repair Creme repair products were formulated to achieve optimal results when used with Skinlogics® Platinum maintenance products and Cell Block-C prevention products.
