

INTRODUCING two new revolutionary products for 50+ skin

Smoother, firmer, brighter skin that not only looks younger, but acts younger – for a lifetime of beautiful skin.

Regeneration® Platinum Plus® Face Serum #14538 \$65

Unique, custom dual chamber dispenser allows two separate formulas, never able to be combined into one product, to be delivered to the skin for unparalleled results.

- Contains advanced polyhydroxy acids to help expedite the rate of skin renewal.
- Contains a protein building complex, including amino acids and cell “energy boosters,” to restore the component of youthful skin. Protects the skin by creating the optimal environment for skin’s natural immunity against environmental damage.
- Contains our advanced peptide blend to help create tighter, firmer, younger-looking skin in as little as 4 weeks.

Before

Deep lines and wrinkles

After

See firmer, smoother, younger-looking skin

Regeneration® Platinum Plus® Eye Creme #14575 \$35

Contains the same bio-active complex as the Face Serum, along with an exclusive blend of floral extracts and oils:

- White tea to nourish and detoxify the delicate eye area.
- Licorice extract for brightening.

Before

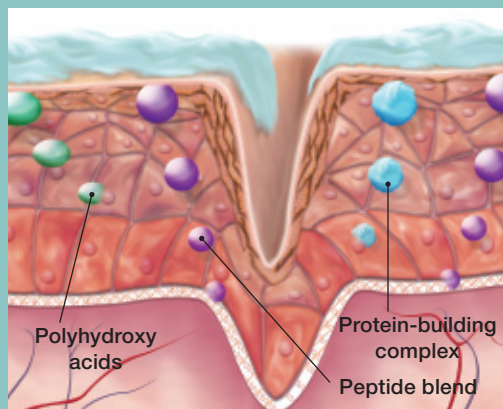

After

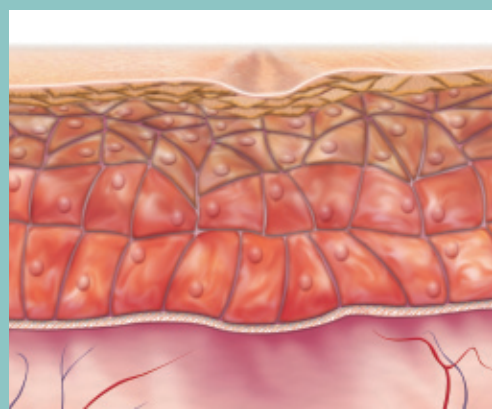

Your wrinkles and dark circles will virtually disappear

How it works

When applied to the skin, the advanced delivery system of Regeneration Platinum Plus allows individual ingredients to be absorbed into specific layers of the epidermis to repair age-related damage.

The result is skin that is tighter, firmer and more resilient. See dramatic improvements in the skin’s elasticity and hydration and the renewed radiance of younger-looking, younger-acting skin.
