

# NEW Regeneration® Overnight

## Powerful duo that represents the latest overnight spa treatment to erase years while you sleep

Your skin is most active at night. That's when it goes to work repairing the damage from the day. Every good skin care regimen needs a nighttime treatment targeted for overnight recovery.

### Regeneration® Overnight Retinol Recovery Serum

Scientifically advanced product contains a time-released retinol delivery system while you sleep:

- Helps create the optimal environment to speed up the rate at which new skin cells are developed.
- Helps protect skin cells by delivering a coating of 11 advanced powerful ingredients to help improve the appearance of damage and imperfections in the skin
- Creates an optimal environment for the skin to produce newer, more perfect cells each time the cycle is repeated.

Dermatologist, sensitivity and allergy tested. Non-comedogenic. Fragrance-free. Oil-free. #14934 \$45

before                      after

**Clinically Measured Results**
