

Start now to stop signs of aging early...

Regeneration® Skin Renewing Lotion

You can prevent signs of aging!
Believe it! Not only can you preserve your skin's youthfulness, you can **improve it!** Make that soft, luscious, wrinkle-free skin last! Catch fine lines and other signs of aging now, and look like you're in your 20s well into your 30s and beyond!

With just one powerful, yet oh-so-gentle lotion, you can:

1. Reveal your freshest most youthful looking layer of skin
2. Moisturize for an ever-smooth, soft appearance
3. Minimize the effect of environmental pollutants
4. Refine the appearance of your pores
5. Improve the look of clarity and brightness of your complexion

See results in just two weeks!

According to independent clinical results, 100% of women who tested Regeneration Skin Renewing Lotion noticed a moisturizing effect, smoother skin, and anti-aging and anti-wrinkle effects, and 80% noticed firmer and brighter skin.

Sunburn Alert: This product contains alpha hydroxy acids (AHA) that may increase your skin's sensitivity to the sun and particularly the possibility of sunburn. Use a sunscreen, wear protective clothing and limit sun exposure while using this product for a week afterward. Use Cell Block-C® SPF 20 New Cell Protection or Skinlogics® SPF Booster 30+.
