

New! Skinlogics® Sensitive

Skinlogics Sensitive combines scientifically advanced ingredients to address the special needs of sensitive skin with key anti-aging ingredients.

- Contains the latest anti-redness and soothing ingredients.
- pH balanced, fragrance-free, oil-free, dye-free, gluten-free and non-comedogenic.
- Dermatologist-quality, gentle on sensitive skin.

Gentle Cleansing Lotion

Cleanses without stripping moisture from the skin. Key ingredients: blend of natural surfactants derived from apples and coconuts. #14198 **\$18**

Rinse & Restore Tonic

Blended to calm and relieve skin. Key ingredients: calming licorice root and our exclusive marine moisturizing complex. #14199 **\$19**

Hydra-Calm Moisturizer

Key ingredients: arnica extract, proven to reduce the appearance of redness and blotchy skin, and Ceramide 3, which draws moisture into the epidermis to keep the skin hydrated. #14757 **\$20**

Protective Services Calming Fluid

Helps protect skin from environmental aggressors. Key ingredients: over-the-counter levels of hydro-cortisone, known for anti-irritant properties, and protective and restorative vitamin B. #14201 **\$25**

Skinlogics Sensitive Set

Includes one of each. #14879 **\$82**

We didn't just **take out** irritants – we **put in** the VERY BEST soothing and calming ingredients too.
