

It's almost like exercise in a bottle.

BC Spa Sculpt helps reduce the appearance of cellulite and make skin firmer.

These clinical strength products contain highly concentrated formulas. You'll see wonderful results when you use each one. The results are even more dramatic when you use them together to create a spa-quality body wrap treatment.

BC Spa Sculpt Sculpting Gel

Reduce the appearance of cellulite on every problem area.

- Help produce the optimal environment for skin to shed toxins and reduce fatty deposits
- Help balance skin's natural water level
- Feel the cooling blend of natural ingredients working

#15332 \$42

BC Spa Sculpt Sculpting Creme

Repair your skin with an anti-aging, moisturizing body cream.

- Firm, tone and reduce the appearance of sagging skin on arms, bust, thighs, buttocks and abdomen
- Provide the optimal conditions to help boost your skin's natural collagen production
- Use with Sculpting Gel to lock in the sculpting benefits
